

3M Purification

13th January 2017

Certificate of conformity for use with potable water

Manufacturer: 3M Purification Incorporated, 400 Research Parkway,
Meriden, CT 06450, USA

Product Description:
HF10 Filter Cartridge

Stock ID:
70020230457

This is to certify that the product listed above as supplied by 3M is suitable for use with potable water according to the following national standards;

Italy – Representative samples of the product have been tested by an external laboratory and the analysis of the results of "treated" water samples compared with the parameters laid down by Legislative Decree 31/2001 showed no significant changes. The materials of construction comply with the provisions of Regulation (EC) 1935/2004, EU Regulation (EC) 10/2011 and the M.D. 21/3/1973. Therefore the product complies with the DM n° 25 February 7, 2012.

US - All materials of construction are listed in FDA CFR Title 21.

The activated carbon complies with EN12915-1and/or EN12903.

In preparing this response 3M has relied in part on information provided by 3M suppliers.

I trust the above information is responsive to your request, if you require any further information please feel free to contact me.

Sincerely

A handwritten signature in black ink that reads "Andrew J Ball".
